### STATE OF NEW HAMPSHIRE

{ L. S. }

*To the Inhabitants of the Town of New Castle, in the County of Rockingham, in said State, qualified to vote in Town Affairs :*

You are hereby notified to meet at the Town Hall, in said New Castle, on Tuesday, the twelfth day of March next, at ten of the clock in the forenoon, to act upon the following subjects :

1. To hear the reports of Agents, Officers, and others heretofore chosen, and to pass any vote in relation thereto.

2. To choose all necessary Town Officers for the year ensuing.

3. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and to make appropriation for the same.

4. To see if the town will authorize the Selectmen to incur temporary loans in anticipation of taxes upon the town's credit.

5. To see if the town will allow a discount on taxes paid within a limited time, and to fix the amount of such discount and the date or dates when the same shall be allowed.

6. To see if the town will vote to adopt the provisions of the Municipal Budget Act.

7. To see if the town will vote to abolish the Board of Water Commissioners, and vest the management of the water supply system in the Selectmen.

8. To see if the town will vote to create and establish a Zoning Commission, to recommend suitable rules and regulations and to fix the boundaries of districts and areas as will best serve in promoting the health, safety, morals, and general welfare of the community.

9. To see if the town will vote to create and establish a Planning Board to evolve and prepare plans for the proper and suitable development of the town.

10. To see if the town will vote to accept State Aid for the permanent improvement of its highways.

11. To see if the town will vote to choose Assessors of Taxes to

act jointly with the Selectmen for the assessment of taxes, and to fix the number and compensation thereof.

12. To see if the town will vote to adopt the Australian or secret ballot for use in electing town officers.

13. To see what action the town will take regarding the sale or other disposition of the former Roy H. Curtis property.

14. To see if the town will vote to adopt regulations for the use and letting of the Town Hall to private persons for private purposes, and to fix the rate of hire for such use.

15. To see what sum of money the town will vote to raise and appropriate to give to the New Hampshire Sea Coast Regional Development Association to further its purposes.

16. To see if the town will vote to construct a sidewalk along Wentworth Road, from the Hotel Wentworth to the village, and to make appropriation therefor.

17. To see if the town will vote to authorize the Selectmen to take appropriate action, by action at law or otherwise, to abate the nuisance of any unoccupied building which is or may become a fire menace.

18. To see what action the town will take regarding the proposed plans of the United States War Department to develop and make the New Reservation, so-called, into a National Guard Training camp, and to choose all necessary agents and / or committees to consult with United States and State of New Hampshire officials in relation thereto.

19. To transact any other business that may lawfully come before said meeting.

Given under our hands and seals, this twenty-third day of February, in the year of our Lord, one thousand nine hundred and thirty-five.

## Report of the Superintendent

---

*To the School Board of New Castle :*

I herewith present to you my fifth report as superintendent of your schools.

The people of New Castle are always interested in their schools and in their improvement. It is, for this reason, a pleasure to report at least four achievements of the past year which will react to the benefit of the schools and their children.

Of great importance to your children is the enlargement of the primary room to include the space formerly occupied by the town offices. This not only relieved the crowded condition which had existed there but improved the physical and health conditions in other ways. The former cross lighting gave a frequent glare on the blackboards and the pupils' desks. This has been remedied by the two sided lighting of the present room. The regulating of the heat in so small and crowded a room offered constant difficulty to the teacher. The pupils' coats are now kept in a warm room. This is a valuable health measure. We hope, in the near future, to see in this room a library alcove where pupils may go to read little books just for fun. A child cannot start too young to make friends with books.

The attendance record for the previous year was below New Castle's usual standard but this year's report gives a percentage of 96.37. This is a very fine record and is near to our former mark of the year 1931-1932. The attendance for the current year will probably be as good.

Frequently information is sought by former pupils, or by parents of present pupils, as to the work done in our schools during previous years. The same information is always asked whenever pupils move into another school system. It has sometimes been difficult

to obtain the required data. For this reason the seven school boards of this supervisory union have purchased a permanent record system to be kept in the superintendent's office. This will keep, in permanent form, a complete record of the work done by each pupil in these towns during the years he attended our schools. Not only will scholastic attainments be recorded but such information as will help future teachers to understand the pupil, if the latter moves away. Records of health conditions, results of standardized tests, when properly kept, will aid both teacher and pupil to adapt future work to individual needs. We believe this is an important means of guaranteeing to each boy and girl a consistent rate of progress, free from the delays of adjustment which would otherwise occur with each change of teacher.

The work in music is highly creditable. The children find pleasure in it. The Primary Band in New Castle is an organization of which to be proud. Its rhythm is accurate, its unity of performance unusual and its attractive uniforms make it a company to be well remembered. We must all encourage the children in this type of activity. It is a fine preparation for social activity in later life.

The pupils of the upper grades are attempting a valuable type of work in geography. A frequent lack of young people of today is the ability to organize thoughts in a logical order. Ideas they have; but to arrange them and present them in a previously planned order and a convincing manner is a difficult task. To help pupils develop this ability Mrs. Scott is training the boys and girls to take charge of the work of the geography period, a previously chosen pupil acting as director. He outlines his plan of presentation of the lesson, stands before the class and, by means of questions, answers and interpretations clarifies the main points which he has chosen as worth remembering and closes the class with a brief summary of the work of the period. I believe such work gives invaluable training for later years.

The school nurse has continued her valued ser-

vices. Her report is enclosed but it cannot show the hours of effort she has devoted to the work among our children.

I wish again to express my thanks to the school board for continued help and guidance in the duties of my office. It is always a pleasure to visit your schools and see a happy school family achieving real results in preparing for adult life.

Respectfully submitted,

ROY W. GILLMORE,

*Superintendent of Schools.*
